GENERAL INFORMATION

THE PROPERTY

We are delighted to introduce this meticulously designed village property, which, under the direction of the current owners, has been extended and beautifully renovated to a sophisticated standard throughout. This beautiful property offers a blend of light, spacious, and stylish living spaces with a range of high-quality fittings. A notable feature is the underfloor heating throughout the ground floor. The kerb appeal of this property is immense; with its fabulous floor-to-ceiling windows displaying the features of the stunning bespoke glass and oak staircase within the entrance hall, the property gives a real sense of arrival. The ambience once you have stepped over the threshold is super welcoming. This modern design offers today's families the space to live and entertain in complete comfort.

The light and spacious hallway offers access to the lounge, the garden room, the kitchen area and the guest cloakroom. The flooring is a neutral-coloured porcelain tile that continues into the garden room through the living kitchen area.

The lounge offers a cosy space with an inbuilt log-burning fire. Windows look out to the front aspect, and oak and glass French doors open into the garden room. The garden room offers a superb interaction between the garden and the home, with its vaulted ceiling, full-height windows, and sliding patio doors giving access to the terrace and offering lovely views of the garden. A glass corridor opens into the smart open-plan living, dining and kitchen area. Bi-fold doors give access to the garden, and there is ample space for a dining table, chairs, sofas and easy chairs. A modern log burner offers a more intimate feel for cooler evenings and days.

The kitchen offers a luxury range of base cabinets, drawers, coordinated wall cupboards and a fabulous island unit that could easily seat six people for informal dining. It has an integrated dishwasher, fridge, freezer, wine chiller, ovens and induction hob with a recessed ceiling extractor that connects to wi-fi. A door leads off into the utility, where provision for a washing machine and tumble drier can be found.

On the first floor are four double bedrooms and a small study. The principal suite has a superb vaulted ceiling with full-height windows fitted with bespoke shutters looking out over the rear garden. There are fitted wardrobes with mirrored sliding doors and a luxury en suite shower room with a large shower cubicle with a waterfall and hand-held shower heads. The guest bedroom looks out to the front with a walk-in wardrobe and luxury en suite shower room. The two further double bedrooms both have windows to the front aspect. The family bath is beautifully appointed with a double-ended bath with centre taps and shower attachment, a vanity unit with a glass hand wash basin, and W.C.

OUTSIDE GROUNDS AND GARDENS

FRONT

This property oozes kerb appeal with its lovely oak gates and brick boundary, softened by a selection of planting. Mature trees sit within a large shrub border with an extensive range of shrubs and plants. The gravel drive leads to a double garage

with remote sectional doors, power, light and a access door into the garden room. There is a carport to the side. The house has a lovely stone centre pillar facade with a modern rendered frontage. An open porch gives access to the front door.

REAR

What a delight is the rear garden. This professionally landscaped area is superb. There are attractive gravelled paths that wind around the shaped lawn, with a pergola leading to the bottom of the garden where a paved patio can be found. There is a plethora of shrubs, each detailed within a plan held by the vendors. This fully enclosed garden is a great space to relax and entertain.
