GENERAL INFORMATION

THE PROPERTY

Located in an elevated position on Duffield Road in the charming village of Little Eaton, we are excited to present this exceptional split-level detached bungalow. Built between 1950 and 1959, it features a spacious reception room, a conservatory, three/four well-appointed bedrooms, and three bathrooms, making it perfect for families, downsizers, and multi-generational living.

One of the most outstanding aspects of this bungalow is its stunning gardens, which offer panoramic views of the picturesque Derbyshire countryside. These gardens are a true sanctuary for nature lovers and provide a tranquil backdrop for outdoor entertaining or simply enjoying the serenity of the surroundings. The beauty of the landscape is best appreciated through personal viewing.

PROPERTY DETAIL

The property is accessed via a long driveway with a secure gated entrance, ensuring both privacy and security. Upon arrival, one is immediately captivated by the stunning views.

The kitchen is a highly functional space with plenty of storage cupboards, display cabinets, and granite worktops. A range cooker sits within a chimney breast, a full-glazed door leads out to the terrace, and a granite table is ideal for informal dining. Additionally, the kitchen includes a range of built-in appliances, such as a dishwasher, fridge, freezer, and washing machine.

As you enter through the main doors, you are greeted by a spacious hallway that features steps leading up to the bedroom wing, a door into the kitchen, a door to the guest cloakroom, and double doors that open into a generously sized reception room.

This lovely room is flooded with natural daylight from large picture windows, showcasing

spectacular garden and countryside views. A dual-aspect log burner within the chimney breast adds warmth for cooler evenings and provides additional heat for the conservatory, which can be accessed through a fully glazed door from the reception room. The conservatory serves as a fantastic all-year-round space, benefiting from both a log burner and an air conditioning unit for warmer months, along with breathtaking views of the garden on three sides and doors that give access out into the garden.

The bedroom wing extends from the hallway, with steps leading to a spacious lobby. Here, you will find a bathroom with lovely parquet flooring, a principal bedroom featuring a range of fitted wardrobes and drawers, and a full-glazed door that opens onto a decked terrace—perfect for enjoying a cup of tea in the morning while in your dressing gown. The principal suite also includes an ensuite shower room with an enclosed shower cubicle with shower body jets, hand wash basin, and w.c.

The second bedroom has a recently updated

ensuite bathroom, which is superbly presented with a separate shower having dual shower heads, bath, wash hand basin, and w.c.

The third bedroom suite offers flexibility; it can function as a study or dressing room or an occasional bedroom four. A cupboard houses the domestic hot water and central heating combination boiler, and a door leads into the single third bedroom with a window overlooking the garden.

GARDENS AND GROUNDS

One cannot help but be impressed by the triple garage, which provides ample space for vehicles or additional storage. A door from the garage leads into a small hall with a staircase to the first floor. This area has been fitted with windows, electrics, and plumbing, making it suitable for an office suite, annex, or simply more storage.

The driveway offers plenty of parking and grants access to the garden that surrounds the bungalow. A large lawn adorned with ornamental trees leads to the back of the

property, where an orchard can be found. A spacious paved terrace at the front of the property provides ample room for entertaining or quietly enjoying the scenery. Additionally, another decked terrace at the rear allows for all-day enjoyment of the garden.

LOCATION

Little Eaton is a desirable village location. It is strategically placed for excellent travel on the A38 and quick access to the beautiful Derbyshire countryside. The village offers a number of parks and recreational activities suitable for families. Millennium Way is a popular walking route that offers stunning views of the countryside. Additionally, there is a popular village hall.

The village has a Co-op store for everyday shopping needs, a popular butcher's, a cafe and public Inns. For healthcare, there's a local GP surgery and a pharmacy.

There are excellent primary schools, and the property is within the Ecclesbourne catchment area.
