GENERAL INFORMATION

THE PROPERTY

This beautifully upgraded cottage has undergone an impressive remodel under the current owners, with meticulous attention to a thoughtful new layout that flows seamlessly. The property features a delightful private cottage garden with abundant planting, creating serene spaces to relax and enjoy.

A secure, pedestrian-gated entrance provides access to the garden from the lane, with a paved patio leading to the entrance door. Upon entering the cottage, visitors are greeted by lovely exposed brickwork, winding stairs, and exposed ceiling timbers. The dining hallway includes a door that leads to the ground-floor bedroom, as well as steps accessing the utility area and guest cloakroom, which is fitted in a period style. A further door opens into the light and airy sitting room, featuring a log-burning stove, perfect for cooler evenings, and an array of windows that overlook the garden.

The bespoke fitted kitchen, which includes a dining area, is perfect for entertaining and for those who enjoy cooking. It is styled with shaker cabinetry, featuring a plate rack, Belfast sink, dishwasher, oven, fridge, and freezer. Marble countertops are inset with a four-ring electric hob. There is ample space for a dining table and chairs or a seating area, with a full-length glazed door providing access and views of the garden. A door leads through to the garage.

The ground floor bedroom offers a great space for guests or future-proofing the home. It includes a built-in wardrobe, a storage cupboard housing the central heating boiler, and a sliding door opening into the en-suite shower room, which features both rain and handheld showerheads.

Stairs rise to the first floor, where the principal bedroom is located. This room is flooded with natural daylight, thanks to windows on both the front and side. It also features a range of built-in wardrobes for hanging space and shelving.

The second bedroom on this floor is currently used as a study. The period-style bathroom completes the accommodation, offering a bath with mixer taps and a shower attachment, a WC, and a pedestal hand wash basin and wood panelling.

****Outside****

The garden is a stunning and relatively private space with an abundance of beautiful planting, providing shade, color, and texture. It creates various areas to enjoy the relaxation that comes from living in this lovely area of Etwall.
