GENERAL INFORMATION

THE PROPERTY

Enjoy a short walk from Cromford village center to this inviting stone-built farmhouse, situated on approximately 2.04 acres and offering four-bedroom accommodation with stunning views over the Derbyshire Dales.

Parts of the property we believe date back to the 16th century, with more modern extensions in later years. Stone mullion windows and a beam ceiling all add to the charm of this home.

ACCOMMODATION

The property is accessed via a long driveway that leads to the garage block and provides access to the home. The entrance doors open into a light and airy dining hallway with ample storage, exposed timbers to the ceiling, a lovely window seat looking out to the extensive front garden, a door leading into the kitchen, and a further door opening into the sitting room. Here, a deep window looks out to the front garden and a mullion window looks into the side garden. A door gives access to the garden lounge. This space offers views out to the lovely private rear garden, with sliding patio doors providing access to the patio. From the garden lounge, a door provides access to the rear hall, which features stairs leading to the first floor and a door to the guest cloakroom.

The kitchen is fitted with a range of oak-style doors, drawers, and wall-mounted cabinets with space for an electric cooker. A utility area has space for a washing machine and tumble dryer, a door to the front aspect, and a handy walk-in pantry offering space for a fridge and freezer. Steps lead up to the rear lobby, which has a door that opens out to the rear garden.

On the first floor the spacious landing offers storage cupboards with access to the four well-proportioned bedrooms. The principal bedroom is fitted with an extensive range of built-in wardrobes and there is a modern family shower room.

GARDEN AND LAND

Without a doubt, the gardens and land are a beautiful feature of the property. To the front, a superb driveway allows parking for numerous vehicles and is flanked to each side by mature gardens with sways of lawn, tree and hedge boundaries, mature flower and plant beds, a pond, a paved terrace, and to the side of the property is an additional drive that leads to the paddock at the rear.

The rear garden features paved patio areas ideal for entertaining, as well as mature flower and shrub beds and trees. A gate leads through to the paddock, which has a slight slope down to the rear boundary. Off the paddock is a further gate giving access to a small utility area ideal for compost bins and washing lines.
