GENERAL INFORMATION

Two-storey barn conversion located within a small exclusive courtyard development surrounded by Derbyshire countryside. The property has recently been completed to an exceptionally high standard. Featuring LPG gas central heating, sealed unit double glazing and the floor finishes include polished solid oak, ceramic floor tiles with under floor heating and quality fitted carpets. The ground floor includes an entrance hall with cloak cupboard and fitted guest's cloakroom off. Dining room with feature staircase to the galleried landing over and the dining room opens onto the sitting room. Superbly fitted breakfast kitchen with a range of matching units featuring polished granite preparation surfaces and the range of integrated appliances include an oven, hob, dishwasher, automatic washing machine, fridge and freezer. On the first floor there are three bedrooms, two having well appointed en-suite shower rooms plus a luxuriously appointed family bathroom.

The property is constructed of brick beneath a roof of slate with the front relieved by sash-style double glazed windows, dressed stone sills and lintels and is set back from the courtyard behind a natural stone paved garden and there are two car parking spaces.

LOCATION

Denby village offers local amenities to include shops, reputable schools at all levels including the noted Denby free primary school and John Flamstead school, Bulls Head public house, Village Inn, cricket ground, historic Denby Pottery and bus services. It is situated on the doorstep of beautiful open countryside and enjoys some delightful scenery and country walks.

Hawley House Farm is approximately half a mile from the centre of Denby Village which is highly convenient for local centres including Derby, some eight miles to the south. Other principal centres include Nottingham approximately twelve miles to the east and Junction 26 of the M1 motorway is approximately ten miles away. In addition the famous market town of Ashbourne, known as the gateway to Dovedale and the Peak District National Park is situated approximately twelve miles to the west.
